Santa Barbara Vacation Rentals Allow Travelers to Book with Confidence

As vacation rentals grow in popularity as a value-packed alternative to traditional hotel accommodations, consumers get expert help booking vacation rentals in Santa Barbara sight unseen that will meet and exceed their expectations.

SANTA BARBARA, CA –While popular U.S. destinations like New York are implementing restrictions to help regulate the increasing popularity of short-term apartment and other vacation rentals, consumers are still faced with a growing abundance of options to consider before entering into any rental agreement.

According to vacation rentals expert Graham Farrar, many travelers still find the vacation home rental market to be a little chaotic - at least in comparison to more traditional accommodations like hotels/motels. Therefore it is important for travelers to be able to book a [Santa Barbara vacation rental](#) with confidence, especially since they are usually reserving the property sight unseen.

“As [Santa Barbara vacation rentals](#) grow in popularity as a value-packed alternative to traditional hotel accommodations, it can be difficult for consumers to know how to book a property that best fits their budget as well as travel needs and desires,” said Graham Farrar, whose company provides a variety of high-end [vacation rentals in Santa Barbara](#). “There are many things consumers can do to protect themselves from scams or disappointment – including working with a professional management company whose goal is to ensure your vacation rental experience meets and exceeds your expectations.”

Farrar also recommends that renters visit the Better Business Bureau or a vacation rental site such as FlipKey.com for candid reviews. Unfortunately, it’s not uncommon for travelers to end up in vacation rentals that do not deliver on what is promised. A recent guest even shared the nightmare experience that preceded her [Santa Barbara vacation rental](#) stay.

"After flying across the country to LA, we arrived at a home we had rented in Malibu to find it totally misrepresented and truly un-stayable. We considered flying back to New York and then decided to look into Santa Barbara instead," said Rory B. from New York, NY. "We contacted [Santa Barbara Luxury Rentals](#) and they were able to offer us the Anacapa Villa at a very reasonable price for same day arrival. The condominium was beautiful, every detail was thought through, it was immaculate and comfortable and the next best thing to home."
